### **DETAILED ACTION**

This communication is responsive to the amendment filed June 30, 2006.

#### ***Reissue Applications***

The reissue oath/declaration filed with this application is defective because the sole identified error relied upon to support the reissue application is not longer present. Therefore, the reissue application fails to correct any errors. See 37 CFR 1.175(a)(1) and MPEP § 1401 and 1414.

Claims 1-2 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

#### ***Response to Arguments***

Applicant's arguments with respect to the cancellation of claims 3-4 have been considered but are moot in view of the new ground(s) of rejection.

Regarding the request for a corrected filing receipt, the request is hereby acknowledged.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
